HOW DOES THE EU WORK?

- 7 institutions, with its own legislature and executive, as well as an independent judiciary and a central bank.
- they are supported by other set of institutions and bodies
- the Member States have agreed, as a result of their membership of the EU, to transfer some of their powers to the EU institutions

WHAT THE EU DOES FOR **YOUTH**

You can live,
study and

HOW DOES THE EUROPEAN UNION IMPACT MY LIFE?

LET'S DISCUSS

- How does the EU impact our everyday life as young people?
- What are some benefits you've experienced thanks to the EU?
- Do you feel your voice is heard in EU decision-making?
- If you could pitch one idea to the European Parliament on behalf of youth, what would it be?
- Do you feel connected to other young people across Europe? How does the EU or AEGEE help build that connection?

THANK YOU!
